Of Poems: Youths and Spring

The love of two teenagers taken through the "spring" of their romance, to the "summer" of their romance, to the "fall" of their romance, and lastly to the "winter" of their romance. A parting caused by parents of the girl being transferred necesseting a move.

Director's Note:

As a first attempt at producing three One-Act Plays, this fall production was a great learning experience for the cast, the directors, and the crew. The combined efforts of all involved made it an extremely worthwhile endeavor.

Champions

S.A. 3 — C.M. 9

The Saints traveled to Davidson Field for their first game of the season against non-league opponent Costa Mesa High. The Saints' defense played aggressively throughout the entire game, but the offense could not sustain an adequate scoring drive because of costly turnovers deep in Mustang territory. Saints of the Week: Rick Stewart and Victor Prawl.

S.A. 3 — B.P. 7

The Saints played their first home game at Eddie West Field and encountered their second loss of the season against non-league rival Buena Park. In a tough defensive battle the Saints, hampered by offensive penalties, came up short again losing 3-7 to the Coyotes. Saints of the Week: Kelly Patterson and Ralph Martinez.

S.A. 10 — O.V. 0

Going for their first victory of the preseason, the Saints faced Oceanview High at Westminster High and recorded a 10-0 triumph. In a game dominated by the Saints, the offense showed they could score with a modest 10 point showing. The Saints opened the game with a touchdown on their first possession aided by key runs and passes and was caped by a 1 yard touchdown plunge by tailback, Victor Prawl. The stingy Saints defense limited the Seahawks to just 75 yards total offense. Saints of the Week: Kelli Masaniai and Harvey Espinoza.

S.A. 9 — Canyon 0

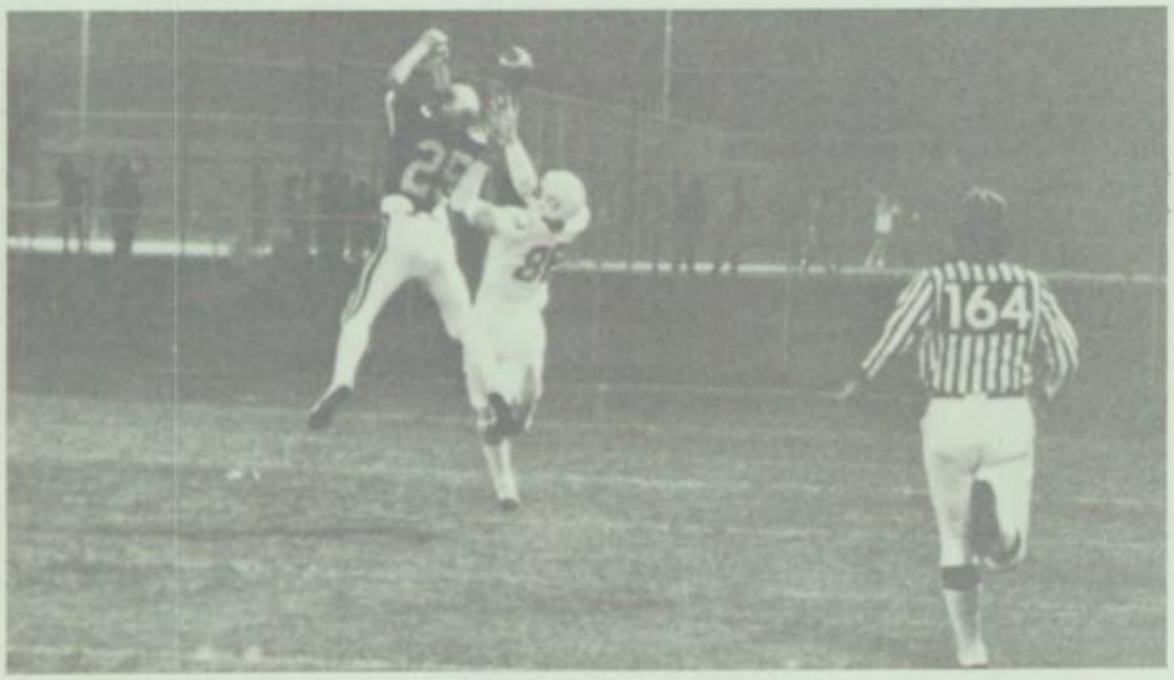
In their first league game of the season the Saints shutout Canyon High 9-0 at Eddie West Field.A 44 yard run by Victor Prawl set up a 5 yard touchdown dive by Kelli Masaniai. The Saint "steel curtain" defensive front and hardhitting secondary posted its second shutout of the season over the highly regarded Commanche offense. Saints of the Week: Jeff Williams and Kelly Patterson.

S.A. 21 — Orange 15

The Saints defeated Orange High for their second win of the season to boast their league record to 2-0. The greatly improving Saints offense opened up a 14-7 lead at halftime, and retained the lead throughout the game, with the deciding touchdown being scored by Chris Gavin with a 13 yard run in the fourth quarter. The Saint defense gave up 15 points to the powerful Panther running game. Saints of the Week: Danny Velasquez and Scott Franklin.

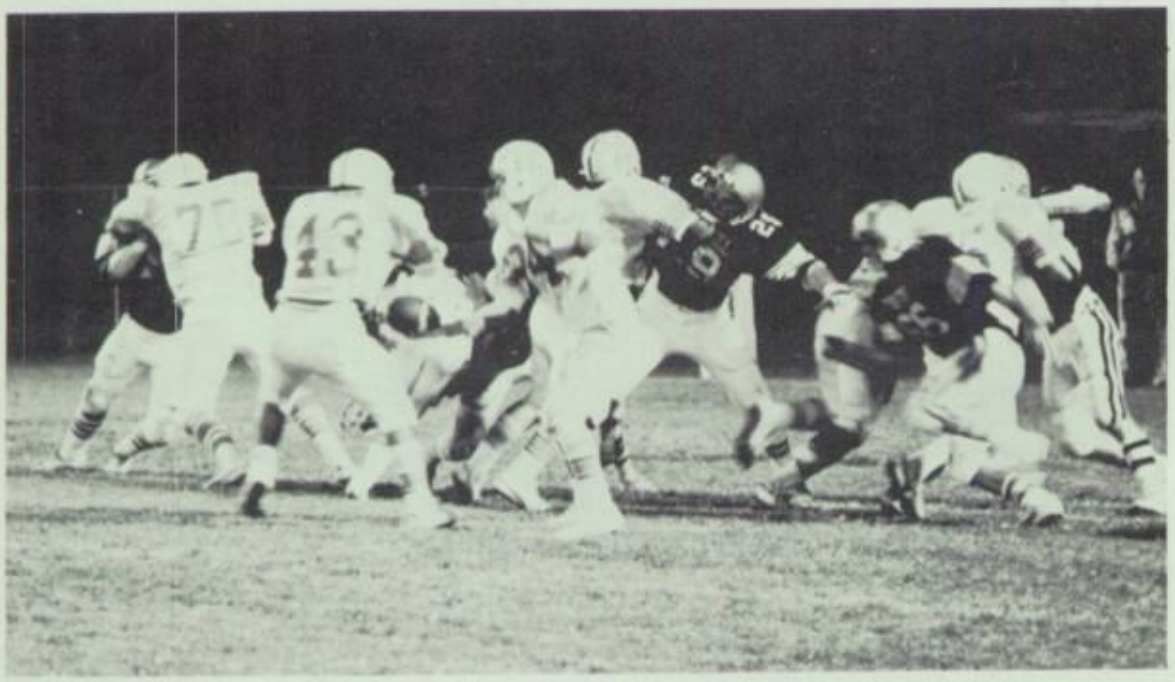
S.A. 39 — Tustin 7

The undefeated Saints, going for their fourth victory, traveled to Tustin High to face the Tillers and came home with a 39-7 victory. Both the Saints offense and defense played well as they throughly ripped apart their counterparts. The Saint offense was led by tailback Victor Prawl who gained 168 yds on 13 carries and scored 3 touchdowns. The powerful Saint defense played fiercely throughout the whole game and was highlighted by a 96 yd. interception return by safety Jeff Williams. Saints of the week: Victor Prawl and Don Bridges.



S.A. 10 — E.M. 7

The Saints then faced their toughest opponents of the season, El Modena. After a scoreless first half, the Vanguards opened the third quarter with a touchdown run, but the Saint offense bounced back to tie the game with a 1 yd. quarterback sneak by Scott Franklin. The Saints got the ball back and were faced with a 3rd and 18 situation. Quarterback Franklin connected to tight-end Dan Stroup on an exciting catch to set up Jess Zamora's winning field goal with 1:01 left in the game. On the Vanguard's next possession Saint's defensive end Chris Gavin sacked the Ducks' quarterback for a 9 yd loss. The very next play, cornerback Lee Steven came through with a key interception to end the Vanguard hopes. Saints of the Week: Dan Stroup, Jess Zamora, and Harvey Espinosa.



S.A. 24 — S.A.V. 10

The Saints, undefeated in league play, put their record on the line against cross town rival Valley at Eddie West Field. The teams traded touchdowns in the first minutes of play but the Falcon defense could not hold down the powerful Saint drive. Three crucial defensive plays by linebackers Ralph Sapien and Herman Valdez resulted in 17 points for the Saints. Chris Gavin's diving catch late in the 3rd quarter resulted in a touchdown to "ice" the game for the Saints. Saints of the week: Ralph Sapien and Chris Gavin.

S.A. 21 — V.P. 7

The Saints, playing before a large Homecoming crowd, met the Villa Park Spartans at Eddie West field. The first half was a genuine battle between the Saints and the Spartans. Villa Park scored first, with the Saints bouncing back to score their 1st touchdown of the game late in the second quarter. The game was a hard-hitting matchup with the Saints& Homecoming crowd satisfied with a 21-7 victory. Saints of the week: Lee Steven and Rick Stewart

S.A. 43 — Foothill 34

The Saints then traveled to Tustin High to clash with the highly underated Foothill Knights. The Knights game was an offensive battle to see who could keep on scoring. The Saints won the game to finish the season undefeated and capture the Century League Championship. Saints of the Week: Rupert Vega and Vince Villano.

Saints Go C.I.F.

S.A. 20 — Cypress 14

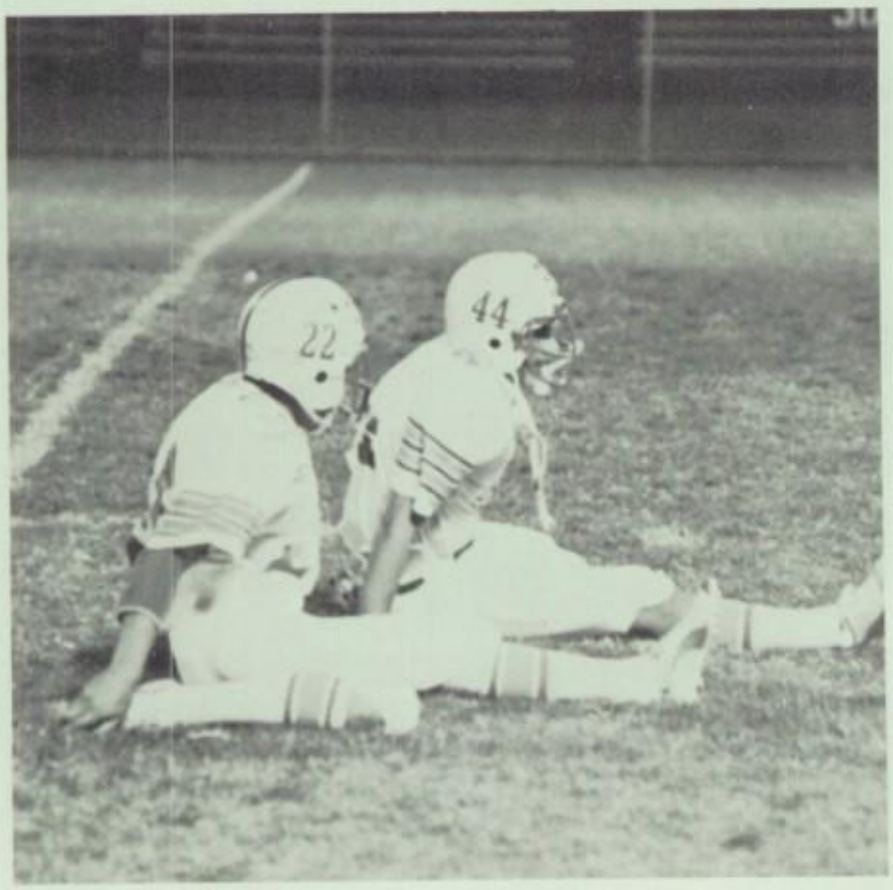
The Saints opened their C.I.F. action on Thanksgiving Day at Eddie West Field against Cypress High and recorded an exciting 20-14 victory. The opening score was made by the visiting Centurions with a 4 yd. run, but was quickly countered by the Saints, as quarterback Scott Franklin dumped a short pass in the end zone to tight-end Don Stroup for a touchdown. The teams traded touchdowns in the third quarter; but the fourth proved to be dominated by the Saints. A 67 yd. punt return by Tino Rivera proved to be the game winning touchdown. Saints of the Week: Tino Rivera and Brad Garcia

S.A. 36 — Downey 14

The Saints then traveled to La Mirada Stadium to play the Downey High Vikings. The Saints scored first in the first minute of play on an 81 yd. run by Victor Prawl. Prawl ran for 172 yds and along with Scott Franklin, cleanly capped a Saint victory. Franklin ran for two touchdowns and directed an agressive Saint offense. The Vikings rallied to score 2 touchdowns, but it was not enough to rout a 26-14 Saint victory. Saints of the Week: Martin Thomas and Rick Stewart

S.A. 7 — Canyon 35

In the rematch of the Century, revengeful Canyon had hopes of stopping the Saints dead in their tracks. As the game progressed, the Commanches totally dominated the game, shutting down the mighty Saints offense, and forcing 4 fumbles and 4 interceptions. The Saints were not able to recover from a 21-7 deficit at halftime, and went on to lose in a highly emotional game, 35-7. Saints of the Week: David Sebreros and John Medina



"PRIDE and EFFORT" is what the Sophomore football team displayed all season long. The team overcame many obstacles. Not only were they small in size and numbers, but they also lacked coaching up to the beginning of the season. Through the year, the team improved trememdously and gained recognition in their league with good coaching.

Their offense was led by Rick Franklin, who averaged over 100 yds. rushing per game. The leading players for their strong defense were Hector Urias, Rick Franklin, Al Lopez, and Anthony Beltran. An excellent head coaching job was done by Nick Uglesich, with the assistant coaches Ladd Potts and Stan Gordan also doing a fine job.

This year's soccer team started off with a big "kick." With a new style of playing, they really gave their opponents a big surprise. They used a mixture of Latin and European game plans which really gave them a big advantage. It really showed when they made it to C.I.F.

CO-CENTURY LEAGUE CHAMPIONS

For the third year in a row, Coach Kim Pickering's Saints took the Century League Volleyball title, but this year they aren't the only ones. Santa Ana and Foothill are the Co-Century League Champions together. The Saint's total record of the season was 22-2. The Saints' only regular league loss was to Foothill. This loss moved Foothill up into a tie with Santa Ana.

The powerful Saints started by winning their first two pre-season games against Long Beach Wilson and L.B. Millikan. During the season the Saints had a fourteen game winning streak going until they met the Knights from Foothill for the second time. It took Foothill three games to down the Saints,yet the girls put up a very good fight. After that disappointing loss, the Saints bounced back and went on to defeat Valley. With only one loss of the season, Santa Ana received the title of Co-Century League Champions.

This year the Saints were led by, Senior, Lisa Pickering, and Junior, Judy Goldstein (both 1st team All Century League), and Seniors Kim Eades, Pona Sitigata, and Terri Jensen, (all 2nd team All Century League).

In the first three games of CIF, the Saints met Hart, Warren and Palos Verdes. The Saints defeated all three of these teams in the first two games. These wins advanced them to the Semi-final playoffs in CIF in which they played Kennedy. The Saints were defeated in two straight games. This loss ended their season for this year.

With a much improved team, the Saint girls' tennis team rallied through a tough Century League season. With opponents such as Foothill and Villa Park, the team rarely placed high in the standings. Although the Saints played with a young squad this year, boasting only two seniors, they hope to improve and give experience to the young team for next year.

Valuable assets to the team were captains Vicki Mays and Liz Allen, seniors. Both girls have kept with tennis and have proved to be standouts at Santa Ana. Their junior counterparts, Nancy Elliott and Sarah Bearden, played a good season and will return next year, optimistic about holding up next year's team.

Other improving varsity members this year were juniors, Karen Niedringhaus and Tina Helfer; and sophomores, Jennifer Burney and Lisstte Samkerr. An asset in years to come is an extremely improved player, freshman Pocelda Cruz.

Varsity Field Hockey

The girls Varsity Hockey team did exceptionally well this year with such outstanding players as Tina Avila, Heather Janis, and Tracy Brown. First Year goalie Kathy Nelson defended the goal **with great skill.**

Despite the muddy conditions, the team played in all weather, and played their best under the worst conditions.

Next year they are looking forward to another great season with all returning players with the acception of two seniors, Irma Cabrara and Wendy Halleen.

The Junior Varsity Field Hockey season ended with more ties than wins or losses. Our record may not be the best but, with this years experience the J.V. team has the potential to be outstanding next year. We should be one of the top teams in our league with all the returning players.

We played very good defense with great efforts by gollie Esther Chavez and fullbacks: Shelley Nave, Jayne Innis and Tina Thorkelson.

Our offense was headed by Janine Garcia along with Jackie Serna, Alison Haywood, Brenda Hood and Valerie Gonzales.

Other stand outs were Cindy Saldana, Katy McKelvy, Vicki Chambers and Adriana Olivos.

Janelle Sall, Kim Pearson, Gina Lane and Gayle Chavez showed great improvement throughout the season.

Board Of Control

The 1979-80 Board of Control

The 1979-80 Board of Control has been highly active throughout the school year. This energetic group of students has created some of the most successful activities ever brought to Santa Ana High School. Among those activities were class competition, special assemblies and disco dances. The dances were especially successful thanks to the B.O.C.'s collaboration with radio station KUTE-102.

Most amazing was the attitude taken by the Board members. The officers worked hard to promote spirit and pride. They attempted to better satisfy the needs and tastes of the student body.

This was truly a year of firsts for the B.O.C.: Carol Henson was the first female President in Santa Ana High's history; this was Mr. Tom Reasin's first year as Santa Ana's Activities Director.

The B.O.C.'s goals included promoting spirit and involvement through meaningful activities. Another goal was to spend student body funds wisely and efficiently. Through hard work and dedication, the Board of Control achieved these goals. This B.O.C. has set standards of accomplishment that other Boards will want to follow in future years.

Rifle Drill Team

Santa Ana High's N.J.R.O.T.C. exhibition rifle drill team is one of the best high school drill teams in the South Western part of the United States. Formed in 1971, they have finished in the top three places of every meet they have entered. In the Loyola Marymount University Drill Meet, they have always own first place against about twenty schools. Last year the Navy made a film of their routine and this film is being distributed to all the N.J.R.O.T.C. units in the United States as representing an outstanding drill team performance.

Girls' State

California Girl's State- a project in practical Americanism and citizenship training...and so much more. One experiences a lifetime of emotions: joy, discouragement, homesickness, laughter, tears (both happy and sad), friendships all that one only experiences at Girl's State. Above all I learned about people, others and, especially, myself. I wouldn't trade my experience at Girl's State for anything.

Sharon Swanson- 1979 Girl's State Delegate

Boys' State

Boys' State is a one week study in the field of politics. It functions to give the youth of the United States a basic understanding of how our political system is operated. It was held in June at Cal State University, Sacramento where there were 1,000 people participating sponsored by the American Legion.

Packets containing campaign materials were issued to each delegate upon arrival and a bar exam was given to those who wished to become a practicing attorney (at Boys' State). In the packets was a vital commodity, Philo bucks ($100 worth). This "money" was an integral part in running for any office in all three levels of government.

During the week at Boys' State I was appointed by the governor of Boys' State to the Board of Equalization in his administration. I also served on the Federalist publicity committee and on the **Boys' Stater** (the newspaper).

Boys' State was not only an experience ins tudying our political system, but also an excellent social experience in meeting new people. I would strongly encourage any person who is interested in how our political system is operated to try out for Boys' State.

Jubal Hampton-1979 Boys' State Delegate

Drill Team

The drill team survivied almost everything this year. Sweating during summer practices and having difficulties with their leaders was just the beginning of a hard and trying year. It started with a whole new team on which, for the first time, freshmen were allowed to join. Under the guidance of their new advisor, Mrs. Lewis, they formed the team into tall flags and letterettes. They performed in various football halftimes and assemblies. Some of the girls also marched in several parades as part of the band units.

Westside

Jets, Tony, Maria, Krupke, Glad Hand, Doc and Sharks

The Jets and the Sharks, each of which has its own prideful uniform. The boys-side-burned, long-haired-are vital, resless, sardonic; the Sharks are Puerto Ricans, the Jets an anthology of what is called "American."

The Jets leader is Riff: driving, intelligent, slightly whacky. His lieutenant is Diesel - big, slow, steady, nice. The youngest member of the gang is Baby John: awed at everything, including that he is a Jet, trying to act the big man. His buddy is A-RAB, an explosive little ferret who enjoys everything and understands the seriousness of nothing. The most agressive is Action: a catlike ball of fury. Big Deal - a self-styled expert. Anybodys - is a scrawny teenage girl, always making a pathetic attempt to be a part of the Jets. The Jet girls have no real goal in life but to be with their boyfriends.

Back row: Bert Garza, Joey Echeberry, Phoebe Wright, Scott Muir, Lori Thomas, Todd Smith, Scott Melloy, Tom York Front row: Jeanae Rae, Maria Falcon, Carol Henson, Dawn Ostreski, Roland Espinoza, Albert Rodriguez

Left: Jet Gang Leader Riff - Scott Muir, Girlfriend Velma - Phoebe Wright, Right: Shark Gang Leader Bernardo - Charles Munn, Girlfriend Anita - Miriam Olivos

Story

Mike Zapata, Laura Stitzel

Back row: Tony Fonseca, Maria Tuoya, Charles Munn, Miriam Olivios, Robert Navarro, Nancy Elliot
Front row: George Barragan, Debbie Vargas, Marcia Smith, Mark Arelland, Miguel Cervantes, Joe Montero

The Sharks leader is Bernardo: handsome, proud, fliud, a chip on his sardonic shoulder. His Lieutenant is Pepe, a fast moving, strong fighter whose girlfriend Consuela loves America. Chino, the quiet, gentle young man who wants to marry Maria. Indio, Luis, Anxious, Nibbles, Juano, Moose, are all in the Shark Gang. Anita is knowing, sexual, sharp. Maria is an enthusiastic, obedient child mixed with the temper, stubborn strength. The Shark Girls are sharp and flashy. Doc-Oscar Sandoval is the drugstore owner, always trying to give advice to the Jet and the Sharks. Schrank - Arnold Espinoza is strong, always in command; he has a pleasant manner which he oftens employs to cover his venom and his fear. Krupke - Bruce Baker is a big, goon-like cop. Glad Hand - Robert McDonald is cheerful young man and he is a " square."

Mr. Buford joined Santa Ana High School in 1974 to teach Music and Ethnic Studies. During his stay with us he organized the Unity Club to bring various ethnic groups together. The club was a huge success and helped bring a feeling of camaraderie to all who were involved. Another group he organized was "Voices" which was an additional singing group at school solely devoted to singing Gospel and popular tunes. Mr. Buford will long be remembered by the many friends he made at Santa Ana High School and in the community.

SHOES ONLY

SOPHOMORES '82

The Sophomores are moving out at high speed. The cabinet consists of 16 members who are always ready and willing to contribute their special talents to make the Class of '82 live up to their Motto, "Pride and Spirit!"

This year they've had many successful activities such as a Sno-cone sale, T-Shirt and Class of '82 button sale, a Krispy cookie sale, Rec Night and a Future Day. And, of course, there's plenty more to come between '79 and '82. The Sophomores won second place in the Homecoming Activities and have shown that they are good competitors.

(Center) President: Sheila Thornton, (Right) Vice President: David McCafferty, (Left) Secretary: Paul Wilkinson

FRESHMEN '83

-J. GARCIA-

The Freshmen Class of '83 entered Santa Ana High with a firm will to succeed. This year they sponsored a Christmas candy gram sale, a can food drive, and a freshmen rec. night. '83 buttons were sold to make money for future class activities. The frosh football team came in 3rd place in their league. In basketball many freshmen were moved to the J.V. team. Because of their accomplishments this year, their future outlook is one of optimism.

Forget about the days when its been cloudy,
but don't forget your hours in the sun ...
Forget about the times you've been defeated,
but don't forget the victories you've won.

Forget about mistakes that you can't change now,
but don't forget the lessons that you've learned ...
Forget about misfortunes you've encountered,
but don't forget the times your luck has turned.

Forget about the days when you've been lonely,
but don't forget the friendly smiles you've seen ...
Forget about the plans that didn't seem to work out right,
but don't forget to always have a dream.
